

Fiber Optic Cable Manufacturer in Jamaica

Article Overview

Key fiber optic cable suppliers in Jamaica include TELiCON Group, Diginet Jamaica, and ZTT International, with government-backed sub-sea cable projects enhancing connectivity.

Local Suppliers

TELiCON Group offers a comprehensive range of telecommunication services, including fiber optic network design, installation, and maintenance. They provide IT infrastructure, network cabling, PBX systems, and voice, data, video, and wireless solutions, making them a “one-stop shop” for both commercial and residential projects in Jamaica . Diginet Jamaica specializes in structured cabling, including UTP and fiber optic components, telephony systems, network switches, and wireless access points. They cater to small businesses and large corporations, offering products with up to a 20-year manufacturer's warranty and certified installation services .

International Supplier

ZTT International Limited is a global provider of optical fiber and fiber optic cables. They manufacture end-to-end solutions, including optical fiber preforms, cables, and accessories, and have experience in smart grids, renewable energy, and marine applications. ZTT's products are widely used both domestically and internationally, making them a reliable source for high-quality fiber optic materials
