

How much does a lighting distribution box cost in Barbados

Article Overview

A lighting distribution box in Barbados typically costs between BBD \$200 and \$1,500 depending on size, brand, and specifications.

The price of a lighting distribution box varies based on factors such as the number of circuits, amperage rating, material quality, and brand. Smaller residential boxes with fewer circuits generally start around BBD \$200-\$400, while larger commercial or industrial panels with higher capacity can range from BBD \$800 to \$1,500 or more. Custom or imported units may cost even higher depending on specifications and shipping fees.

Local Suppliers

- All-Phase Electrical Supplies Inc. offers a wide range of electrical installation equipment, including power distribution products and lighting panels. They carry popular brands like General Electric, Leviton, British General, Cooper, and Crabtree, and can provide quotes or source specific items if not in stock .
- Exclusive Barbados specializes in lighting solutions and may also provide distribution panels suitable for residential or commercial use .
- Kooyman Electrical supplies electrical boxes and installation equipment, which may include distribution panels .
