

Iranian Cable Tray Installation Manufacturer

Article Overview

Iran has several reputable manufacturers of network cable trays, including Azarakhsh, Cable House, Alborz Industrial Group, ParsianGostar, and Talaran Engineering Company.

Key Manufacturers and Their Offerings

1. Azarakhsh Cable Tray Azarakhsh is a leading Iranian manufacturer of hot and cold galvanized metal cable trays, available in two-meter and three-meter branches. They provide a wide range of cable tray types suitable for industrial and commercial installations, emphasizing durability and compliance with construction standards . 2. Cable House Established in 1983, Cable House manufactures metal cable trays, hose clamps, cable ties, and crimping tools. They offer customized solutions for network and industrial cabling, ensuring high durability and reliable performance. Cable House serves both national and international markets and is recognized for quality and timely delivery . 3. Alborz Industrial Group Alborz specializes in PVC cable trays, the first and only manufacturer of this type in Iran. Their PVC trays are non-combustible, self-extinguishing, UV-resistant, and resistant to chemicals and moisture, making them ideal for humid or corrosive environments. They offer multiple sizes and modular parts for flexible installation . 4. ParsianGostar ParsianGostar distributes cable trays in various shapes and materials, including metal and PVC options. They are based in Tehran and provide direct contact for inquiries and orders, catering to both small and large-scale projects . 5. Talaran Engineering Company Talaran Engineering Company manufactures and supplies a variety of metal cable trays suit...
